### PART I. MEETINGS

**§92-1 Declaration of policy and intent.** In a democracy, the people are vested with the ultimate decision-making power. Governmental agencies exist to aid the people in the formation and conduct of public policy. Opening up the governmental processes to public scrutiny and participation is the only viable and reasonable method of protecting the public's interest. Therefore, the legislature declares that it is the policy of this State that the formation and conduct of public policy - the discussions, deliberations, decisions, and action of governmental agencies - shall be conducted as openly as possible. To implement this policy the legislature declares that:

- (1) It is the intent of this part to protect the people's right to know;
- (2) The provisions requiring open meetings shall be liberally construed; and
- (3) The provisions providing for exceptions to the open meeting requirements shall be strictly construed against closed meetings. [L 1975, c 166, pt of §1]

**§92-1.5 Administration of this part.** The director of the office of information practices shall administer this part. The director shall establish procedures for filing and responding to complaints filed by any person concerning the failure of any board to comply with this part. The director of the office of information practices shall submit an annual report of these complaints along with final resolution of complaints, and other statistical data to the legislature, no later than twenty days prior to the convening of each regular session. [L 1998, c 137, §2]

**§92-2 Definitions.** As used in this part:

(1) "Board" means any agency, board, commission, authority, or committee of the State or its political subdivisions which is created by constitution, statute, rule, or executive order, to have supervision, control, jurisdiction or advisory power over specific matters and which is required to conduct meetings and to take official actions.

(2) "Chance meeting" means a social or informal assemblage of two or more members at which matters relating to official business are not discussed.

(3) "Meeting," means the convening of a board for which a quorum is required in order to make a decision or to deliberate toward a decision upon a matter over which the board has supervision, control, jurisdiction, or advisory power. [L 1975, c 166, pt of §1; am L 1976, c 212, §1]

**§92-2.5 Permitted interactions of members.** (a) Two members of a board may discuss between themselves matters relating to official board business to enable them to perform their duties faithfully, as long as no commitment to vote is made or sought and the two members do not constitute a quorum of their board.

(b) Two or more members of a board, but less than the number of members which would constitute a quorum for the board, may be assigned to:

(1) Investigate a matter relating to the official business of their board; provided that:

(A) The scope of the investigation and the scope of each member's authority are defined at a meeting of the board;

(B) All resulting findings and recommendations are presented to the board at a meeting of the board; and

(C) Deliberation and decisionmaking on the matter investigated, if any, occurs only at a duly noticed meeting of the board held subsequent to the meeting at which the findings and recommendations of the investigation were presented to the board; or

(2) Present, discuss, or negotiate any position which the board has adopted at a meeting of the board; provided that the assignment is made and the scope of each member's authority is defined at a meeting of the board prior to the presentation, discussion or negotiation.

(c) Discussions between two or more members of a board, but less than the number of members which would constitute a quorum for the board, concerning the selection of the board's officers may be conducted in private without limitation or subsequent reporting.

(d) Discussions between the governor and one or more members of a board may be conducted in private without limitation or subsequent reporting; provided that the discussion does not relate to a matter over which a board is exercising its adjudicatory function.

(e) Discussions between two or more members of a board and the head of a department to which the board is administratively assigned may be conducted in private without limitation; provided that the discussion is limited to matters specified in section 26-35.

(f) Communications, interactions, discussions, investigations, and presentations described in this section are not meetings for purposes of this part. [L 1996, c 267, §2; am L 2005, c 84, §1]

**§92-3 Open meetings.** Every meeting of all boards shall be open to the public and all persons shall be permitted to attend any meeting unless otherwise provided in the constitution or as closed pursuant to sections 92-4 and 92-5; provided that the removal of any person or persons who wilfully disrupts a meeting to prevent and compromise the conduct of the meeting shall not be prohibited. The boards shall afford all interested persons an opportunity to submit data, views, or arguments, in writing, on any agenda item. The

boards shall also afford all interested persons an opportunity to present oral testimony on any agenda item. The boards may provide for reasonable administration of oral testimony by rule. [L 1975, c 166, pt of §1; am L 1985, c 278, §1]

**§92-3.1 Limited meetings.** (a) If a board determines that it is necessary to meet at a location that is dangerous to health or safety, or if a board determines that it is necessary to conduct an on-site inspection of a location that is related to the board's business at which public attendance is not practicable, and the director of the office of information practices concurs, the board may hold a limited meeting at that location that shall not be open to the public; provided that at a regular meeting of the board prior to the limited meeting:

(1) The board determines, after sufficient public deliberation, that it is necessary to hold the limited meeting and specifies the reasons for its determination that the location is dangerous to health or safety or that the on-site inspection is necessary and public attendance is impracticable;

(3) Notice of the limited meeting is provided in accordance with section 92-7.

(b) At all limited meetings, the board shall:

(1) Videotape the meeting, unless the requirement is waived by the director of the office of information practices, and comply with all requirements of section 92-9;

(2) Make the videotape available at the next regular meeting; and

(3) Make no decisions at the meeting. (L 1995, c 212, §1; am L 2008, c20, §1]

The notice required by section 92-7 shall specify all locations at which board members will be physically present during a videoconference meeting. The notice shall also specify that the public may attend the meeting at any of the specified locations.

(b) Any board member participating in a meeting by videoconference shall be considered present at the meeting for the purpose of determining compliance with the quorum and voting requirements of the board.

(c) A meeting held by videoconference shall be terminated if, after the meeting convenes, both the audio and video communication cannot be maintained with all locations where the meeting is being held, even if a quorum of the board is physically present in one location; provided that a meeting may be continued by audio communication alone, if:

1. All visual aids required by, or brought to the meeting by board members or members of the public have already been provided to all videoconference locations where the meeting is held; or

2. Participants are able to readily transmit visual aids by some other means (e.g., fax copies), to all other meeting participants at all other videoconference locations where the meeting is held. vote constitutes a majority of the members to which the board is entitled. A meeting closed to the public shall be limited to matters exempted by section 92-5. The reason for holding such a meeting shall be publicly announced and the vote of each member on the question of holding a meeting closed to the public shall be recorded, and entered into the minutes of the meeting.
